Re: United States v. Tillery,  
CR 05-00756-PJH-ALL

Dear Judge Hamilton:

I previously requested that this matter today be put on calendar so that the parties can request direction from the Court concerning the return of the Rule 17C subpoena.

After I made the request to put this matter on calendar, I learned from my client that she has a previously scheduled doctor's appointment which conflicts with this afternoon's calendar. I called Assistant United States Attorney William Martin, who has no objection to Ms. Tillery not being present at this afternoon's hearing. Accordingly, I request that the Court excuse my client's presence at today's calling of this case.

I thank the Court for its assistance.

Very truly yours,

/s/

DAVID J. COHEN  
Attorney for Rosalyn Tillery
